

The map illustrates the proposed railway line (indicated by a dashed line) connecting the existing railway station (STAZIONE FF.SS.) to the Bressana Bottarone area. The line runs parallel to the existing railway tracks, which lead to the STAZIONE FF.SS. and the Bressana Bottarone area. The map also shows the existing road network, including the Via Portuense, Via dei Carpani, Via Europa, Via Cristoforo Colombo, Via Site, Via Lomina, and Via dell'Industria. The Bressana Bottarone area is divided into several blocks, including the Supermarket Ciesdini del Sider, Borgo Treviso, and Borgo Venezia. The map also shows the existing railway line running from BASSANO to PADOVA, with a deviation to the east (CIRCONVALLAZIONE EST) and a deviation to the west (CIRCONVALLAZIONE OVEST). The map also shows the existing road network, including the Via Portuense, Via dei Carpani, Via Europa, Via Cristoforo Colombo, Via Site, Via Lomina, and Via dell'Industria. The Bressana Bottarone area is divided into several blocks, including the Supermarket Ciesdini del Sider, Borgo Treviso, and Borgo Venezia. The map also shows the existing railway line running from BASSANO to PADOVA, with a deviation to the east (CIRCONVALLAZIONE EST) and a deviation to the west (CIRCONVALLAZIONE OVEST). The map also shows the existing road network, including the Via Portuense, Via dei Carpani, Via Europa, Via Cristoforo Colombo, Via Site, Via Lomina, and Via dell'Industria. The Bressana Bottarone area is divided into several blocks, including the Supermarket Ciesdini del Sider, Borgo Treviso, and Borgo Venezia.
